Members - Member John Handley had a Hole In One on #14 at the last Blitz. He therefore wins the entire pool, plus his name on the Hole in One plaque in the trophy case and a Hole in One Trophy where he can put "That" ball. (I am sure he kept it.)

NOW THE NEW HOLE IN ONE POLICY TAKES EFFECT. You NO LONGER have to enter the Hole in One pool as ALL REGULAR MEMBERS ARE AUTOMATICALLY IN.

Any Regular Member getting a Hole in One at a Men's Club event will win \$200. If two get a Hole in One in that same event (It HAS happened in the past), then BOTH of them get \$200. In addition you get your name on the plaque and you get your own engraved trophy.

Well Done John **HANDLEY!!!**

See you all on the course,

John **Bepko**
