## Welcome

Welcome to River's Edge Cafe and Bar at the Admiral Baker Golf Course. The Admiral Baker Navy Recreation Area is the property of the US Navy. All proceeds from our business operations benefit Navy quality of life initiatives for our Sailors, military retirees and their families via the Navy's Morale, Welfare and Recreation program

The Admiral Baker Navy Recreation Area has a history unknown by most. It is a portion of a 400 -acre site founded in 1895 by Burkill Jacques and known as Jacques Farm. By June 1940 the area was under federal ownership and designated US Marine Corps Camp Elliot, a part of MCAS Miramar.

In 1942, with more than 10,000 Marines in the San Diego area, Camp Elliot became the home of the Fleet Marine Force Training Center West Coast with the mission of training individual replacements for combat duty.

Following WWII, a portion of this training area came under Navy control. During the Korean War the Navy reactivated Camp Elliot as Naval Training Center Elliott Annex. It served as an auxiliary training center from 1951 to 1953 for additional recruits from Naval Training Center San Diego.

In 1955 the Navy Recreation Center was established and named for Vice Admiral Wilder D. Baker, Commandant of the 11th Naval District. Navy Morale, Welfare and Recreation (MWR) manage the property.

MWR's business operations on Admiral Baker Navy Recreation Area are self-supporting. We invite the public to visit our Catering \& Conference Center, two 18-hole golf courses and RV Park. We hope you will return often and we appreciate your support of Navy quality of life programs.
